

MANAGEMENT INFORMATION CIRCULAR

This information circular (“**Information Circular**”) is provided in connection with the solicitation of proxies by the management of **COPAU MINERALS INC.** (the “**Company**”) for use at the Annual General Meeting (the “**Meeting**”) of the shareholders of the Company, **to be held via teleconference on Friday, December 19, 2025 at 8:00 a.m. (Vancouver Time)** or any adjournment thereof for the purposes as set forth in the enclosed Notice of Annual General Meeting (the “**Notice of Meeting**”).

The solicitation of proxies is made on behalf of the management of the Company. Such solicitation will be primarily by mail but may also be made by telephone or other electronic means of communication or in person by the directors or officers of the Company. The costs incurred in the preparation and mailing of the form of proxy, Notice of Meeting and this Information Circular will be borne by the Company. The cost of the solicitation will be borne by the Company.

The Company is conducting the Meeting via teleconference. Registered shareholders, non-registered (beneficial) shareholders, and validly appointed proxyholders may attend the Meeting via teleconference by calling the following number toll-free at 1-888-780-5892. All callers will be prompted to enter the following passcode upon entering the teleconference: 5050341. Meeting participants that call into the Meeting will not be eligible to vote at the Meeting and should submit a proxy/VIF prior to the cut-off date.

NOTICE AND ACCESS

The Company is utilizing the notice and access mechanism (the “**Notice and Access Provisions**”) under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) and National Instrument 51-102 – *Continuous Disclosure Obligations* (“**NI 51-102**”), for distribution of proxy-related materials to registered and beneficial shareholders.

Under the Notice and Access Provisions, instead of receiving printed copies of the Information Circular, registered and beneficial shareholders will receive the Notice of Meeting with information on the Meeting date, location and purpose, as well as information on how they may access the Information Circular electronically and how they may vote.

Electronic copies of the Notice of Meeting and the Information Circular may be found on the Company’s SEDAR+ profile at www.sedarplus.ca and the Company’s website at www.copaur.com.

The Company will not use the procedure known as “stratification” in relation to the use of Notice and Access Provisions. Stratification occurs when a reporting issuer using the Notice and Access Provisions provides a paper copy of meeting materials to certain shareholders with the notice package.

Obtaining Paper Copies of Materials

The Company anticipates that using the Notice and Access Provisions for delivery will directly benefit the Company through a substantial reduction in postage and material costs and will also promote environmental responsibility by decreasing the large volume of paper documents generated by printing proxy-related materials. Shareholders with questions about the Notice and Access Provisions can call the Company toll-free at 1-888-500-4587.

Shareholders may obtain paper copies of the Information Circular free of charge by contacting the Company by written notice to Suite 888 - 700 West Georgia Street, Vancouver, British Columbia V7Y 1G5; by fax to (604) 662-3791; by telephone call to the Company at (604) 718-5454 (outside of North America) or toll-free to Computershare at 1-866-962-0498 (within North America); or by email to the Company at ir@copaur.com.

Requests for a paper copy should be sent so that the request is received by the Company by December 1, 2025 in order to allow sufficient time for shareholders to receive the paper copies and to return their proxies or voting instruction forms to intermediaries not later than 48 hours (excluding Saturdays, Sundays and statutory holidays in the City of Vancouver, British Columbia) prior to the time set for the Meeting or any adjournments or postponements thereof.

PROXY INFORMATION

Appointment of Proxyholder

A duly completed form of proxy for the Company will constitute the persons named in the enclosed form of proxy as the shareholder’s proxyholder. The individuals whose names are printed in the enclosed form of proxy for the Meeting are directors and/or officers of the Company (the “**Management Proxyholders**”). The persons named in the enclosed form of proxy as Management Proxyholders have indicated their willingness to represent, as proxyholders, the shareholders who appoint them.

A shareholder has the right to appoint a person other than the Management Proxyholders to represent the shareholder at the Meeting by striking out the names of the Management Proxyholders and by inserting the desired person’s name in the blank space provided or by executing a proxy in a form similar to the enclosed form. A proxyholder need not be a shareholder of the Company. Such a shareholder should notify the nominee of his or her appointment, obtain his or her consent to act as proxy and instruct him or her on how the shareholder’s shares are to be voted.

Voting of Proxies

Each shareholder may instruct his or her proxyholder how to vote its shares by completing the blanks in the enclosed proxy form. Shares represented by properly executed proxy forms will be voted or withheld from voting on any poll in accordance with instructions made on the proxy forms, and, if a shareholder specifies a choice as to any matters to be acted on, such shareholder’s shares shall be voted accordingly.

If no choice is specified and one of the Management Proxyholders is appointed by a shareholder as proxyholder, it is intended that such person will vote in favour of the matters to be voted on at the Meeting.

The enclosed form of proxy confers discretionary authority upon the persons named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to any other matters which may properly come before the Meeting. As at the date of this Information Circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

COMPLETION AND RETURN OF PROXY

Each proxy must be dated and executed by the shareholder or its attorney authorized in writing or by an intermediary acting on behalf of a shareholder (see “*Voting by Non-Registered Shareholders*” below). In the case of a corporation, the proxy must be dated and executed by a duly authorized officer or attorney for the corporation.

A proxy will not be valid for the Meeting or any adjournment or postponement thereof unless the completed, signed and dated form of proxy is delivered to the office of the Company’s registrar and transfer agent, Computershare Investor Services Inc. (“**Computershare**”), by mail or by registered mail, to 320 Bay Street, 14th Floor, Toronto, Ontario, M5H 4A6, or as otherwise indicated in the instructions contained in the form of proxy (including, where applicable, through the transfer agent’s internet and telephone proxy voting services). All proxies in respect of the Meeting must be completed and received not later than 48 hours (excluding Saturdays, Sundays and holidays) prior to the commencement of the Meeting, unless the chairman of the Meeting elects to exercise his or her discretion to accept proxies received subsequently.

Voting by Non-Registered Shareholders

The information in this section is important to many shareholders as a substantial number of shareholders do not hold their shares in their own name.

Non-registered (beneficial) shareholders (shareholders who hold common shares through intermediaries) should note that only registered holders of common shares or the persons they appoint as their proxyholders are permitted to vote at the Meeting.

If common shares are shown on an account statement provided to a non-registered shareholder by a broker or other intermediary, then in almost all cases the name of such non-registered shareholder **will not** appear on the central securities register of the Company. Such common shares will most likely be registered in the name of the broker or an agent of the broker or other intermediary. In Canada, the vast majority of such common shares will be registered in the name of “CDS & Co.”, the registration name of The Canadian Depository for Securities Limited, which acts as a nominee for many brokerage firms. Such common shares can only be voted by the intermediary and can only be voted by them in accordance with instructions received from non-registered shareholders. **As a result, non-registered shareholders should carefully review the voting instructions provided by their broker or other intermediary with this Information Circular and ensure that they direct the voting of their common shares in accordance with those instructions.**

Applicable regulatory policies require brokers and other intermediaries to seek voting instructions from non-registered shareholders in advance of shareholders’ meetings. In accordance with the requirements of NI 54-101, the Company will distribute the Meeting materials to intermediaries and clearing agencies for onward distribution to non-registered shareholders. The Company does not intend to pay intermediaries to forward the Meeting materials if the non-registered shareholders have provided instructions to their intermediary that they object to the intermediary disclosing ownership information about the non-registered shareholders. In this case, such non-registered shareholders will not receive the Meeting materials if the

intermediary does not assume the cost of delivery. Each intermediary has its own mailing procedures and provides its own return instructions to clients.

Intermediaries are required to forward the Meeting materials to non-registered shareholders unless a non-registered shareholder has waived the right to receive Meeting materials. Generally, non-registered shareholders who have not waived the right to receive Meeting materials will be sent a voting instruction form which must be completed, signed and returned by the non-registered shareholders in accordance with the intermediary's directions on the voting instruction form. Intermediaries often use service companies to forward the Meeting materials to non-registered shareholders. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically supplies a voting instruction form, mails those forms to non-registered shareholders and asks those non-registered shareholders to return the forms to Broadridge or follow specific telephone or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of common shares at the Meeting. **A non-registered shareholder receiving a voting instruction form from Broadridge cannot use that form to vote common shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure that such common shares are voted.**

In some cases, non-registered shareholders will instead be given a proxy which has already been signed by the intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of common shares beneficially owned by the non-registered shareholder but which is otherwise not completed. This form of proxy does not need to be signed by the non-registered shareholder, but to be used at the Meeting, needs to be properly completed and deposited with Computershare as described under "*Completion and Return of Proxy*" above.

The purpose of these procedures is to permit non-registered shareholders to direct the voting of the common shares that they beneficially own. Should a non-registered shareholder wish to attend the Meeting via teleconference (or have another person attend on behalf of the non-registered shareholder), the non-registered shareholder should strike out the names of the persons named in the proxy and insert the non-registered shareholder's (or such other person's) name in the blank space provided or, in the case of a voting instruction form, follow the corresponding instructions on the form.

Revocation of Proxies

A registered shareholder who has given a proxy may revoke it by executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the registered shareholder's authorized attorney in writing, or, if the registered shareholder is a corporation, by a duly authorized officer or a duly authorized attorney, and by delivering the proxy bearing a later date to Computershare at the address set out in the proxy or to the Company at the address indicated above at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner permitted by law. Only registered shareholders have the right to revoke a proxy. Non-registered shareholders who wish to change their vote must arrange for their respective intermediaries to revoke the proxy on their behalf.

RECORD DATE, VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The board of the directors of the Company (the "**Board**") has fixed November 5, 2025 as the record date (the "**Record Date**") for determination of persons entitled to receive notice of and vote at the Meeting.

Only shareholders of record at the close of business on the Record Date who complete and deliver an instrument of proxy in the manner and subject to the provisions set out under the heading “*General Proxy Information*” above will be entitled to vote or have their common shares voted at the Meeting or any adjournment thereof.

The common shares are listed on the TSX Venture Exchange (the “**Exchange**” or the “**TSXV**”), under the symbol “CPAU”. As at the date hereof, there were 87,695,409 common shares without par value issued and outstanding, each common share carrying the right to one vote. No group of shareholders has the right to elect a specified number of directors, nor are there cumulative or similar voting rights attached to the common shares.

QUORUM

The Articles of the Company provide that a quorum for the transaction of business at a meeting of shareholders is at least one person who is, or who represents by proxy, one or more shareholders who, in the aggregate, hold at least 5% of the issued shares entitled to be voted at the meeting.

VOTES NECESSARY TO PASS RESOLUTIONS

A simple majority of affirmative votes cast at the Meeting is required to pass the resolutions described herein. If there are more nominees for the election of directors than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected until all such vacancies have been filled.

No options were granted during the financial year ended June 30, 2025.

No compensation securities were exercised by any NEOs or non-NEO directors during the fiscal year ended June 30, 2025.

Stock Option Plans and Other Incentive Plans

On October 26, 2022, the Board adopted its current stock option plan (the “**2022 Plan**”), which replaced its previous option plan and which was most recently approved by the Company’s shareholders on November 29, 2023.

On November 3, 2025, the Board adopted a new omnibus incentive plan (the “**Plan**”). The Plan is intended to supersede the 2022 Plan and will govern option grants made after the date of the adoption of the Plan. Grants made under the 2022 Plan will be deemed to have been made under the Plan and will be governed by the Plan after the date the Plan is ratified by the shareholders at the Meeting, subject to TSXV approval.

The Plan is an **omnibus incentive plan** pursuant to which up to 10% of the outstanding shares may be reserved for issue from time to time, less the number of shares reserved for issue under any other share compensation arrangement. The Plan provides for the grant of Options, Restricted Share Units (“RSUs”) and Deferred Share Units (“DSUs”) to eligible directors, officers, employees and Consultants of the Company and its Subsidiaries, in accordance with the policies of the TSXV.

At the Meeting, shareholders will be asked to approve the Plan. The Plan is attached as Schedule “B” to this Information Circular. The following is a summary of its material terms and is qualified in its entirety by the full text of the Plan. Capitalized terms used in the summary below that are not otherwise defined in this Information Circular have the meaning given to them in the Plan or TSXV policies.

- (a) Persons who are Eligible Participants, being any director, officer, employee or Consultant of the Company or any of its Subsidiaries, are eligible to receive grants of Awards (Options, RSUs or DSUs) under the Plan;
- (b) the maximum aggregate number of Shares that may be reserved for issuance under the Plan, together with any other Share Compensation Arrangement, at any point in time is 10% of the issued and outstanding shares of the Company;
- (c) the Plan provides for the following limits on grants, for so long as the Company is subject to the requirements of the TSXV, unless disinterested shareholder approval is obtained or unless permitted otherwise pursuant to the policies of the TSXV:
 - (i) the maximum number of common shares that may be issued to any one Participant, together with grants under any other security based compensation arrangements, within a twelve (12) month period, may not exceed 5% of the issued and outstanding common shares calculated on the date of grant;
 - (ii) the maximum number of common shares that may be issued to Insiders collectively under the Plan, together with grants under any other Share Compensation Arrangement, within a twelve (12) month period, may not exceed 10% of the issued and outstanding common shares calculated on the date of grant; and

- (iii) the maximum number of common shares that may be issued to Insiders collectively under the Plan, together with grants under any other Share Compensation Arrangement, may not exceed 10% of the issued and outstanding common shares at any time.
- (d) For so long as the following limitation is required by the TSXV, the maximum number of Options which may be granted within any twelve (12) month period to Participants who perform investor relations activities must not exceed 2% of the issued and outstanding common shares, and such Options must vest in stages over twelve (12) months with no more than 25% vesting in any three month period. In addition, the maximum number of common shares that may be granted to any one consultant under the Plan, together with any other Share Compensation Arrangement, within a twelve (12) month period, may not exceed 2% of the issued and outstanding common shares calculated on the date of grant. Investor Relations Service Providers cannot receive any security based compensation other than Options and may not be granted a Cashless Exercise Right.
- (e) the exercise price of an Option will be set by the Board at the time such Option is allocated under the Plan, and cannot be less than the Market Price at the time of the grant;
- (f) the term of an Option will be set by the Board at the time the Option is allocated under the Plan. An Option can be exercisable for a maximum 10-year term;
- (g) Vesting of Options shall be at the discretion of the Board and, with respect to any particular Options granted under the Plan, in the absence of a vesting schedule being specified at the time of grant, all such Options shall vest immediately. Where applicable, vesting of Options will generally be subject to:
 - (i) the Eligible Participants remaining employed by or continuing to provide services to the Company or any of its Subsidiaries as well as, at the discretion of the Board, achieving certain milestones which may be defined by the Board from time to time or receiving a satisfactory performance review by the Company or any of its Affiliates during the vesting period; or
 - (ii) the Eligible Participant remaining as a member of the Board or a director of any of the Company's Subsidiaries during the vesting period;
- (h) in the case of an Optionee being dismissed from employment or service for cause, such an Optionee's Options, whether or not vested at the date of dismissal will immediately terminate on the date of termination for cause without right to exercise same;
- (i) all Awards granted shall be evidenced by written grant agreements (Option Agreements, RSU Agreements or DSU Agreement, as the case may be);
- (j) the Company will be required to obtain disinterested shareholder approval prior to any of the following actions becoming effective:
 - (i) the Plan, together with any other security based compensation plans, could result at any time in:
 - a. the aggregate number of common shares reserved for issuance to Insiders exceeding 10% of the Outstanding Issue; or
 - b. the aggregate number of common shares reserved for issuance to Insiders within any 12-month period exceeding 10% of the Outstanding Issue; or,
 - c. the aggregate number of Common Shares reserved issuance to any one individual Participant or Service Provider, within any 12-month period, exceeding 5% of the Outstanding Issue; and

- (ii) any reduction in the exercise price of an Option, or extension to the expiry date of an Option held by an Insider at the time of the proposed amendment, is subject to disinterested shareholder approval in accordance with the policies of the TSXV.

Subject to Policy 4.4 and the prior receipt of any necessary Exchange approval, the Board may in its absolute discretion, make the following amendments or modifications to the Plan or any option granted under it:

- (a) amendments which are of a typographical, grammatical, clerical nature only;
- (b) amendments of a housekeeping nature;
- (c) changes to the vesting provisions of an Option granted hereunder, subject to prior written approval of the TSXV, if applicable;
- (d) changes to the termination provision of an Option granted hereunder which does not entail an extension beyond the lesser of the original expiry date of such Option or 12 months from termination;
- (e) amendments necessary as a result in changes in securities laws applicable to the Company or any requested changes by the TSXV;
- (f) if the Company becomes listed or quoted on a stock exchange or stock market senior to the TSXV, amendments as may be required by the policies of such a senior stock exchange or stock market; and
- (g) such amendments as reduce, and do not increase, the benefits of the Plan to Eligible Participants.

The Plan has also been prepared to allow option holders to exercise options on a “Cashless Exercise” basis, as now expressly permitted by Policy 4.4. “Cashless Exercise” is a method of exercising stock options in which a brokerage firm has an arrangement with the Company whereby the brokerage firm will loan money to a Participant to purchase Shares underlying Options. The brokerage firm then sells a sufficient number of Shares to cover the exercise price of the Options in order to replay the loan made to the Participant. The brokerage firm receives an equivalent number of Shares from the exercise of the Options, and the Participant then receives the balance of Shares or the cash proceeds from the balance of such Shares

Pursuant to the Plan, in the event of a Cashless Exercise, the number of Options exercised, surrendered or converted, and not the number of Shares actually issued by the Company, must be included in calculating the various limits on total issuances and issuances to various categories of participants, as provided in the Plan and as required by Policy 4.4.

The Company does not have any other incentive plans.

Oversight and Description of Director and NEO Compensation

Director Compensation

The Company has no standard arrangements pursuant to which directors are compensated by the Company for their services in their capacity as directors, except for the granting from time to time of incentive stock options in accordance with the Plan and the policies of the Exchange. Currently, no fees are paid to the directors for serving as directors of the Company. Should the Company's financial circumstances change in fiscal 2026, the Board as a whole will determine the compensation payable to the directors of the Company, taking into consideration general industry standards for companies similar to the Company.

The Board believes that the granting of incentive stock options provides a reward to directors for achieving results that improve the Company's performance and thereby increase shareholder value, where such improvement is reflected in an increase in the Company's share price. In making a determination as to whether a grant of long-term incentive stock options is appropriate and if so, the number of options that should be granted, the Board considers: the number and terms of outstanding incentive stock options held by each director; the aggregate value in securities of the Company that the Board intends to award as compensation; the potential dilution to shareholders; general industry standards and the limits imposed by the terms of the Plan and Exchange policies. The granting of incentive stock options allows the Company to reward directors for their efforts to increase value for shareholders without requiring the Company to use cash from its treasury. The terms and conditions of the Company's stock option grants, including vesting provisions and exercise prices, are governed by the terms of the Plan, which are described under "*Stock Option Plans and Other Incentive Plans*" above.

The directors may be reimbursed for actual expenses reasonably incurred in connection with the performance of their duties as directors.

Named Executive Officer Compensation

The Company is a junior Exchange-listed resource company. The Company has, as of yet, no significant revenues from operations and during the most recently completed financial year operated, and for the foreseeable future expects to operate, with limited financial resources. As a result, the directors of the Company have to consider not only the financial situation of the Company at the time of the determination of executive compensation, but also the estimated financial situation of the Company in the mid and long term.

Compensation paid to NEOs during the fiscal year ended June 30, 2025 is noted in the table above under “*Director and Named Executive Officer Compensation, Excluding Compensation Securities*”. It is anticipated that similar compensation will be paid to NEOs during fiscal 2026 until such time as the Company completes a significant financing.

As the Company grows its business, the general objectives of the Company’s compensation strategy will be to (a) compensate management in a manner that encourages and rewards a high level of performance and outstanding results with a view to increasing long-term shareholder value; (b) align management’s interests with the long-term interests of shareholders; (c) provide a compensation package that enables the Company to attract and retain talent; and (d) ensure that the total compensation package is designed in a manner that takes into account the financial constraints that the Company is under.

In considering the compensation of its NEOs, the Board will consider how it can best balance the interests of the Company and provide competitive compensation to attract and retain officers who will contribute to the success of the Company, while mindful of the financial constraints of the Company. The Board will take into account the types of compensation and the amounts paid to directors and officers of comparable publicly traded Canadian companies. All consulting or other compensation arrangements between the Company and its NEOs, if any, will be considered and approved by the independent members of the Board.

Given the Company’s current financial situation, the primary element of executive compensation is that of stock options, which do not require cash disbursements by the Company, with nominal cash fees accruing or paid to the CFO and CEO for their services rendered to the Company. The Board believes that the granting of incentive stock options provides a reward to NEOs for achieving results that improve Company performance and thereby increase shareholder value, where such improvement is reflected in an increase in the Company’s share price. In making a determination as to whether a grant of long-term incentive stock options is appropriate and if so, the number of options that should be granted, the Board considers: the number and terms of outstanding incentive stock options held by each NEO; the aggregate value in securities of the Company that the Board intends to award as compensation; the potential dilution to shareholders; general industry standards and the limits imposed by the terms of the Plan and Exchange policies. The granting of incentive stock options allows the Company to reward NEOs for their efforts to increase value for shareholders without requiring the Company to use cash from its treasury. The terms and conditions of the Company’s stock option grants, including vesting provisions and exercise prices, are governed by the terms of the Plan, which are described under “*Stock Option Plans and Other Incentive Plans*” above.

Other than as described above, there are no other perquisites provided to the NEOs. The Company does not use specific benchmark groups in determining compensation or any element of compensation.

APPOINTMENT OF AUDITOR

DeVisser Gray LLP, Chartered Professional Accountants, has been the auditor of the Company for more than five years.

MANAGEMENT CONTRACTS

Management functions of the Company are substantially performed by directors or executive officers of the Company and not, to any substantial degree, by any other person with whom the Company has contracted.

CORPORATE GOVERNANCE DISCLOSURE

Corporate governance relates to activities of the Board, the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day-to-day management of the Company. The Board is committed to sound corporate governance practices, which are both in the interest of its shareholders and contribute to effective and efficient decision making.

National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“**NI 58-101**”) requires that each reporting company disclose its corporate governance practices on an annual basis. The Company’s general approach to corporate governance is summarized below.

Board of Directors

Independence

The Company’s Board is comprised of five (5) directors: Conrad Swanson, Gregory Stewart, Jay Roberge, Max Sali, and Malcolm Dorsey. Jeremy Yaseniuk was elected as a director of the Company at the previous annual general meeting, but he ceased to be a director of the Company on July 24, 2025.

Section 1.4 of National Instrument 52-110 – *Audit Committees* (“**NI 52-110**”) sets out the standard for director independence. Under NI 52-110, a director is independent if he has no direct or indirect material relationship with the Company. A material relationship is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director’s independent judgment. NI 52-110 also sets out certain situations where a director will automatically be considered to have a material relationship to the Company.

Applying the definition set out in section 1.4 of NI 52-110, three of the five members of the Board are independent. The members who are independent are Gregory Stewart, Jay Roberge, and Malcolm Dorsey. Conrad Swanson and Andrew Neale are not independent by virtue of the fact that they are executive officers

of the Company (Chairman and President) and (Chief Executive Officer), respectively. Max Sali is not independent because he was the Chief Executive Officer of the Company's wholly owned subsidiary, New Placer Dome Corp., prior to its acquisition by the Company in May 2022.

In order to facilitate its exercise of independent judgment in carrying out the responsibilities of the Board, the Board ensures that a majority of all members in attendance at Board meetings are independent.

Other Directorships

Certain directors of the Company serve as directors of one or more other reporting issuers or reporting issuer equivalents, as follows:

Name of Director	Reporting Issuer(s) or Equivalent(s)
Jay Roberge	Pantera Silver Corp.; Nuclear Vision Limited
Max Sali	Monumental Minerals Corp.; Supernova Metals Corp.; Copper King Resources Corp.
Malcolm Dorsey	Torr Metals Inc.

Orientation and Continuing Education

The Company has not adopted a formalized process of orientation for new Board members. Orientation of new directors has been and will be conducted on an ad hoc basis through discussions and meetings with other directors, officers and employees where a thorough description of the Company's business, assets, operations and strategic plans and objectives are discussed. In addition, any new directors will be given: (a) the opportunity to familiarize themselves with the Company, the current directors and members of management; (b) copies of recently publicly filed documents of the Company, technical reports and the Company's internal financial information; (c) access to technical experts and consultants; and (d) a summary of significant corporate and securities legislation. Orientation activities have been and will be tailored to the particular needs and experiences of each director and the overall needs of the Board.

The Board does not take any formal measures to provide continuing education for the directors. Directors are given the opportunity for continuing education if they choose. The current directors all have prior public company experience. Directors are kept informed as to matters impacting, or which may impact, the Company's operations through reports and presentations at the Board meetings. Directors are also provided the opportunity to meet with senior management, advisors and other directors who can answer any questions that may arise. Board members are encouraged to communicate with management, auditors and technical consultants to keep themselves current with industry trends and developments and changes in legislation with management assistance and to attend related industry seminars in relation to the Company's operations. Board members have full access to the Company's records.

At this stage in the Company's development, and having regard to the background and experience of its directors, the Board does not feel it necessary to have such policies or programs in place.

Ethical Business Conduct

The Board has not adopted a formal written Code of Business Conduct and Ethics. In recruiting new Board members, the Board considers only persons with a demonstrated record of ethical business conduct.

The Board has concluded that fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law, in addition to the applicable corporate legislation restrictions placed on an individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board has not adopted a written mandate or formal procedure with respect to the nomination of directors. The Board, as a whole, is responsible for identifying individuals qualified to become new board members and recommending to the Board new director nominees for the next annual meeting of the shareholders.

Nominees have historically been recruited by the efforts of existing Board members, and the recruitment process has involved both formal and informal discussions among committee and Board members. New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Company, the ability to devote the required time, show support for the Company's mission and strategic objectives and have a willingness to serve. Nominees who meet these criteria are interviewed by the Board and are asked to join the Board where consensus regarding the nominee is obtained.

Compensation

The Board has not adopted a written mandate or formal procedure with respect to determining compensation for the directors and NEOs.

Refer to "*Oversight and Description of Director and NEO Compensation*" above for a detailed description of the Company's compensation policies.

Other Board Committees

At the present time, the Company's only standing committee is the audit committee (the "**Audit Committee**") (see "*Audit Committee*" below).

Assessments

The Board regularly monitors the adequacy of information given to directors, communications between the Board and management and the strategic direction and processes of the Board and its committees. The Board monitors, but does not formally assess, the performance of individual Board members and their contributions. The Board does not, at present, have a formal process in place for assessing the effectiveness of the Board as a whole, its committees or individual directors, but will consider implementing one in the future should circumstances warrant. Based on the Company's size and its stage of development, the Board considers a formal assessment process to be inappropriate at this time.

Audit Committee

NI 52-110 requires the Company's Audit Committee to meet certain requirements. It also requires the Company to disclose in this Information Circular certain information regarding the Audit Committee. That information is disclosed below.

Overview

The Audit Committee's mandate includes reviewing: (i) the financial statements, reports and other financially based information provided to shareholders, regulators and others; (ii) the internal controls that management and the Board have established; and (iii) the audit, accounting and financial reporting processes generally. In meeting these responsibilities, the Audit Committee monitors the financial reporting process and internal control system, reviews and appraises the work of the external auditors, and provides an open avenue of communication between the external auditors, senior management and the Board.

The Audit Committee Charter

The Company's Board has adopted an Audit Committee Charter which sets out the Audit Committee's mandate, organization, powers and responsibilities. A copy of the Audit Committee Charter is attached hereto as Schedule "A".

- (2) To be considered financially literate, a member of the Audit Committee must have the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements.

- (c) experience preparing, auditing, analyzing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Company's financial statements, or experience actively supervising one or more persons engaged in such activities; and

Audit Committee Oversight

Since the commencement of the Company's most recent financial year, there has not been a recommendation of the Audit Committee to nominate or compensate an external auditor which was not adopted by the Board.

Reliance on Exemptions in NI 52-110 – Audit Committee Composition & Reporting Obligations

Since the Company is a “**venture issuer**” (as such term is defined in NI 52-110), it is relying on the exemption contained in section 6.1 of NI 52-110 from the requirements of Part 3 *Composition of the Audit Committee* (as described in “*Composition of the Audit Committee*” above) and Part 5 *Reporting Obligations* of NI 52-110 (which requires certain prescribed disclosure about an audit committee in the Company's Annual Information Form, if any, and this Information Circular).

Pre-Approval Policies and Procedures

The Audit Committee has adopted specific policies and procedures for the engagement of non-audit services as described in the Audit Committee Charter, attached hereto as Schedule “A”.

PURPOSE AND ADMINISTRATION OF THE PLAN; GRANTING OF AWARDS

Section 2.1. Purpose of the Plan.

The purpose of the Plan is to permit the Company to grant Awards to Eligible Participants, subject to certain conditions as hereinafter set forth, for the following purposes:

- (a) to increase the interest in the Company's welfare of those Eligible Participants, who share responsibility for the management, growth and protection of the business of the Company or a Subsidiary;
- (b) to provide an incentive to Eligible Participants to continue their services for the Company or a Subsidiary and to encourage Eligible Participants whose skills, performance and loyalty to the objectives and interests of the Company or a Subsidiary are necessary or essential to its success, image, reputation or activities;
- (c) to reward Participants for their performance of services while working for the Company or a Subsidiary; and
- (d) to provide a means through which the Company or a Subsidiary may attract and retain able Persons to enter its employment or service.

Section 2.2. Implementation and Administration of the Plan.

- (a) The Plan shall be administered and interpreted by the Board or, if the Board by resolution so decides, by a committee appointed by the Board. If such a committee is appointed for this purpose, all references to the "Board" herein will be deemed references to that committee. Nothing contained herein shall prevent the Board from adopting other or additional Share Compensation Arrangements or other compensation arrangements, subject to any required approval.
- (b) Subject to ARTICLE 7 and any applicable rules of the Stock Exchange, the Board may, from time to time, as it deems expedient, adopt, amend and rescind rules and regulations or vary the terms of this Plan and/or any Award hereunder for carrying out the provisions and purposes of the Plan and/or to address tax or other requirements of any applicable jurisdiction.
- (c) Subject to the provisions of this Plan, the Board is authorized, in its sole discretion, to make such determinations under, and such interpretations of, and take such steps and actions in connection with, the proper administration and operations of the Plan as it may deem necessary or advisable. The Board may delegate to officers or managers of the Company, or committees thereof, the authority, subject to such terms as the Board shall determine, to perform such functions, in whole or in part. Any such delegation by the Board may be revoked at any time at the Board's sole discretion. The interpretation, administration, construction and application of the Plan and any provisions hereof made by the Board, or by any officer, manager, committee or any other Person to which the Board delegated authority to perform such functions, shall be final and binding on the Company, its Subsidiaries and all Eligible Participants.
- (d) No member of the Board or any Person acting pursuant to authority delegated by the Board hereunder shall be liable for any action or determination taken or made in good faith in the administration, interpretation, construction or application of the Plan or any Award granted hereunder. Members of the Board and any person acting at the direction or on behalf of the Board, shall, to the extent permitted by law, be fully indemnified and protected by the Company with respect to any such action or determination.
- (e) The Plan shall not in any way fetter, limit, obligate, restrict or constrain the Board with regard to the allotment or issuance of any Shares or any other securities in the capital of the Company. For greater clarity, the Company shall not by virtue of this Plan be in any

way restricted from declaring and paying stock dividends, repurchasing Shares or varying or amending its share capital or corporate structure.

Section 2.3. Participation in this Plan.

- (a) The Company makes no representation or warranty as to the future market price of the Shares or with respect to any income tax matters affecting any Participant resulting from the grant of an Award, the exercise of an Option or transactions in the Shares or otherwise in respect of participation under the Plan. Neither the Company, nor any of its directors, officers, employees, shareholders or agents shall be liable for anything done or omitted to be done by such Person or any other Person with respect to the price, time, quantity or other conditions and circumstances of the issuance of Shares hereunder, or in any other manner related to the Plan. For greater certainty, no amount will be paid to, or in respect of, a Participant under the Plan or pursuant to any other arrangement, and no additional Awards will be granted to such Participant to compensate for a downward fluctuation in the price of the Shares, nor will any other form of benefit be conferred upon, or in respect of, a Participant for such purpose. The Company and its Subsidiaries do not assume and shall not have responsibility for the income or other tax consequences resulting to any Participant and each Participant is advised to consult with such Participant's own tax advisors.
- (b) Participants (and their legal representatives) shall have no legal or equitable right, claim, or interest in any specific property or asset of the Company or any of its Subsidiaries. No asset of the Company or any of its Subsidiaries shall be held in any way as collateral security for the fulfillment of the obligations of the Company or any of its Subsidiaries under this Plan. Unless otherwise determined by the Board, this Plan shall be unfunded. To the extent any Participant or the Participant's estate holds any rights by virtue of a grant of Awards under this Plan, such rights (unless otherwise determined by the Board) shall be no greater than the rights of an unsecured creditor of the Company.
- (c) Unless otherwise determined by the Board and subject to Policy 4.4 of the TSX Venture Exchange, the Company shall not offer financial assistance to any Participant in regard to the exercise of any Award granted under this Plan.
- (d) The Board may also require that any Eligible Participant in the Plan provide certain representations, warranties and certifications to the Company to satisfy the requirements of applicable laws, including, without limitation, exemptions from the registration requirements of the U.S. Securities Act, and applicable U.S. state securities laws.
- (e) In connection with an Award to be granted to any Eligible Participant, it shall be the responsibility of such person and the Company to confirm that such person is a bona fide Eligible Participant for the purposes of participation under the Plan.

Section 2.4. Shares Subject to the Plan.

- (a) Subject to adjustment pursuant to ARTICLE 7, the securities that may be acquired by Participants under this Plan shall consist of authorized but unissued Shares from treasury.
- (b) The maximum number of Shares issuable pursuant to outstanding Awards under this Plan shall not exceed 10% of the total number of Shares outstanding at any given time, less any Shares reserved for issuance under the Plan.

- (c) No Award that can be settled in Shares issued from treasury may be granted if such grant would have the effect of causing the total number of Shares subject to such Award to exceed the above-noted total numbers of Shares reserved for issuance pursuant to the settlement of Awards.
- (d) The Plan is an “evergreen” plan, meaning that Shares of the Company covered by Awards which have been exercised or settled, as applicable, and Awards which expire or are forfeited, surrendered, cancelled or otherwise terminated or lapse for any reason without having been exercised, will be available for subsequent grant under the Plan and the number of Awards that may be granted under the Plan increases if the total number of issued and outstanding Shares of the Company increases. Shares will not be deemed to have been issued pursuant to the Plan with respect to any portion of an Award that is settled in cash.

Section 2.5. Limits with respect to other Share Compensation Arrangements, Insiders, Individual Limits, and Annual Grant Limits.

- (a) The maximum number of Shares issuable pursuant to this Plan and any other Share Compensation Arrangement shall not exceed the limits set out in Section 2.4(b).
- (b) The maximum number of Shares issuable to Eligible Participants who are Insiders (as a group), at any time, under this Plan and any other Share Compensation Arrangement, shall not exceed 10% of the Outstanding Issue at any point in time, unless requisite disinterested shareholder approval has been obtained to exceed.
- (c) The maximum number of Shares issuable to Eligible Participants who are Insiders (as a group), within any one year period, under this Plan and any other Share Compensation Arrangement, shall not exceed 10% of the Outstanding Issue at any point in time, unless requisite disinterested shareholder approval has been obtained to exceed.
- (d) Subject to the policies of the Stock Exchange, any Shares issued or Award granted pursuant to the Plan, or securities issued under any other Share Compensation Arrangement prior to a Participant becoming an Insider, shall be included for the purposes of the limits set out in Section 2.4(b) and Section 2.5(b).
- (e) Subject to the policies of the Stock Exchange, in the event of the death of a Participant, the legal representative, liquidator, executor or administrator, as the case may be, of the estate of the Participant is not entitled to make a claim in respect of an Award granted to such Participant after the first anniversary of the death of such Participant.
- (f) The TSXV Share Limits shall apply to the Shares issued or issuable under any Award granted under the Plan and any other Share Compensation Arrangement, subject to the Shares being listed for trading on the TSX Venture Exchange.

Section 2.6. Granting of Awards.

Any Award granted under the Plan shall be subject to the requirement that, if at any time the Company shall determine that the listing, registration or qualification of the Shares subject to such Award, if applicable, upon any Stock Exchange or under any law or regulation of any jurisdiction, or the consent or approval of any Stock Exchange or any governmental or regulatory body, is necessary as a condition of, or in connection with, the grant of such Awards or exercise of any Option or the issuance or purchase

of Shares thereunder, if applicable, such Award may not be accepted or exercised in whole or in part unless such listing, registration, qualification, consent or approval shall have been effected or obtained on conditions acceptable to the Board. Nothing herein shall be deemed to require the Company to apply for or to obtain such listing, registration, qualification, consent or approval.

Section 2.7. TSX Venture Exchange Vesting Restrictions.

While the Shares are listed for trading on the TSX Venture Exchange:

- (a) no Award (other than Options), may vest before the date that is one year following the date the Award is granted or issued, provided that this requirement may be accelerated for a Participant who dies or who ceases to be an Eligible Participant under the provisions hereof in connection with a Change of Control, take-over bid, reverse take-over or other similar transaction; and
- (b) any Options granted to any Investor Relations Service Provider must vest in stages over a period of not less than 12 months, in accordance with the vesting restrictions set out in Section 4.4(c) of Policy 4.4 of the TSX Venture Exchange and may not be accelerated without prior approval of the TSX Venture Exchange.

Section 2.8. Relationship with Prior Plan.

The Plan supersedes and replaces the Prior Plan, which is terminated and of no force or effect as of the Effective Date. All securities granted under the Prior Plan shall continue to exist and shall remain outstanding in accordance with their terms, provided that from the Effective Date, such securities shall be governed by this Plan.

ARTICLE 3

OPTIONS

Section 3.1. Nature of Options.

An Option is an option granted by the Company to a Participant entitling such Participant to acquire a designated number of Shares from treasury at the Option Price, but subject to the provisions hereof. For the avoidance of doubt, no Dividend Equivalents shall be granted in connection with an Option.

Section 3.2. Option Awards.

Subject to the provisions set forth in this Plan and any shareholder or regulatory approval which may be required, the Board shall, from time to time by resolution, in its sole discretion, (i) designate the Eligible Participants who may receive Options under the Plan, (ii) fix the number of Options, if any, to be granted to each Eligible Participant and the date or dates on which such Options shall be granted, (iii) determine the price per Share to be payable upon the exercise of each such Option (the “**Option Price**”) and the relevant vesting provisions and the Option Term, the whole subject to the terms and conditions prescribed in this Plan or in any Option Agreement, and any applicable rules of the Stock Exchange.

Section 3.3. Option Price.

The Option Price for Shares that are the subject of any Option shall be determined and approved by the Board when such Option is granted but shall not be less than the Market Price of such Shares at the time of the grant.

Section 3.4. Option Term.

- (a) The Board shall determine, at the time of granting the particular Option, the period during which the Option is exercisable, which shall not be more than ten years from the date the Option is granted (the “**Option Term**”).
- (b) Should the expiration date for an Option fall within a Black-Out Period, such an expiration date shall be automatically extended without any further act or formality to that date which is the tenth Business Day after the end of the Black-Out Period, such tenth Business Day to be considered the expiration date for such Option for all purposes under the Plan. Notwithstanding the foregoing, this automatic extension shall not apply to any Option held by a U.S. Participant if such extension would (i) cause the Option to fail to qualify as an "Incentive Stock Option" under Section 422 and 424 of the U.S. Tax Code, or (ii) cause the Option to become subject to Section 409A of the U.S. Tax Code. In such cases involving a U.S. Participant, the Option Term shall expire on the original expiration date, even if such date falls within a Black-Out Period.

Section 3.5. Exercise of Options.

Prior to its expiration or earlier termination in accordance with the Plan, each Option shall be exercisable at such time or times and/or other vesting conditions as the Board at the time of granting the particular Option, may determine in its sole discretion. For greater certainty, any exercise of Options by a Participant shall be made in accordance with any insider trading policies implemented by the Company.

Section 3.6. Method of Exercise and Payment of Purchase Price.

- (a) Subject to the provisions of the Plan, an Option granted under the Plan shall be exercisable (from time to time as provided in Section 3.5) by the Participant (or by the liquidator, executor or administrator, as the case may be, of the estate of the Participant) by delivering a fully completed Exercise Notice to the Company at its registered office to the attention of the corporate secretary of the Company (or the individual that the corporate secretary of the Company may from time to time designate) or give notice in such other manner as the Company may from time to time designate, which notice shall specify the number of Shares in respect of which the Option is being exercised and shall be accompanied by full payment, by cash, certified cheque, bank draft or any other form of payment deemed acceptable by the Board of the purchase price for the number of Shares specified therein and, if required by Section 8.2, the amount necessary to satisfy any taxes.
- (b) Upon the exercise, the Company shall, as soon as practicable after such exercise but no later than ten Business Days following such exercise, forthwith cause the transfer agent and registrar of the Shares either to:

- (i) deliver to the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) a certificate in the name of the Participant representing in the aggregate such number of Shares as the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall have then paid for and as are specified in such Exercise Notice; or
 - (ii) in the case of Shares issued in uncertificated form, cause the issuance of the aggregate number of Shares as the Participant (or the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall have then paid for and as are specified in such Exercise Notice to be evidenced by a book position on the register of the shareholders of the Company to be maintained by the transfer agent and registrar of the Shares.
- (c) Subject to the rules and policies of the Stock Exchange (including the TSXV Share Limits, as applicable), the Board may, in its discretion and at any time, determine to grant a Participant the right, when entitled to exercise Options, to deal with such Options on a “cashless exercise” basis (the “**Cashless Exercise Right**”). The Board may determine in its discretion that such Cashless Exercise Right, if any, grants a Participant the right to exercise such Options by notice in writing to the Company. Under the Cashless Exercise Right, a brokerage firm has an arrangement with the Company whereby the brokerage firm will loan money to a Participant to purchase Shares underlying Options. The brokerage firm then sells a sufficient number of Shares to cover the exercise price of the Options in order to repay the loan made to the Participant. The brokerage firm receives an equivalent number of Shares from the exercise of the Options, and the Participant then receives the balance of Shares or the cash proceeds from the balance of such Shares, subject to the deductions and withholdings set forth in Section 8.2.
- (d) In the event the Board grants and the Participant exercises Options pursuant to a Cashless Exercise Right:
 - (i) the Company shall, in respect of a Canadian Participant, make an election pursuant to subsection 110(1.1) of the Tax Act; and
 - (ii) the number of Options exercised, and not the number of Shares issued by the Company pursuant to such Cashless Exercise Right, shall be included in calculating the limitations in Section 2.4(b), Section 2.5(b) and the TSXV Share Limits, as applicable.

Section 3.7. Option Agreements.

Options shall be evidenced by an Option Agreement, in such form not inconsistent with the Plan as the Board may from time to time determine. The Option Agreement may contain any such terms that the Company considers necessary in order that the Option will comply with any provisions respecting options in the income tax or other laws in force in any country or jurisdiction of which the Participant may from time to time be resident or citizen or the rules of any regulatory body having jurisdiction over the Company. Any Option Agreement evidencing an ISO granted to a U.S. Participant shall explicitly state that the Option is intended to qualify as an Incentive Stock Option under Section 422 of the U.S. Tax Code and shall incorporate the limitations of Section 3.8 of this Plan.

Section 3.8. Incentive Stock Options.

- (a) ISOs are available only for Participants who are employees of the Company, or a “parent corporation” or “subsidiary corporation” (as those terms are defined in Section 424(e) and (f) of the U.S. Tax Code), on the date the Option is granted. In addition, a Participant who holds an ISO must continue as an employee, except that upon termination of employment the Option will continue to be treated as an ISO for up to three months, after which the Option will no longer qualify as an ISO, except as provided in this section. A Participant’s employment will be deemed to continue during period of sick leave, military leave or other *bona fide* leave of absence, provided the leave of absence does not exceed three months, or the Participant’s return to employment is guaranteed by statute or contract. If a termination of employment is due to permanent disability (as defined in Section 22(e)(3) of the U.S. Tax Code), an Option may continue its ISO status for up to one year, and if the termination is due to death, the ISO status may continue for the balance of the Option’s term. Nothing in this section will be deemed to extend the original expiry date of an Option.
- (b) A Participant who owns, or is deemed to own, pursuant to Section 424(e) of the U.S. Tax Code, Shares possessing more than 10% of the total combined voting power of all classes of stock of the Company may not be granted an Option that is an ISO unless the Option Price is at least 110% of the Market Price of the Shares, as of the date of the grant, and the Option is not exercisable after the expiration of five years from the date of grant.
- (c) To the extent the aggregate Market Price (determined as of the date of grant) of Shares with respect to which ISOs are exercisable for the first time by a Participant during any calendar year (under all plans of the Company and any affiliates) exceeds US\$100,000, the Options or portions thereof that exceed that limit (according to the order in which they were granted) shall be treated as Options other than ISOs, notwithstanding any contrary provision in the applicable Option Agreement. Any Option or portion thereof that does not qualify as an Incentive Stock Option due to this limitation or for any other reason shall be treated as a Nonqualified Stock Option and shall be subject to applicable U.S. federal income and employment tax withholding upon exercise.
- (d) Any modification, extension, or renewal of an Incentive Stock Option shall be subject to the rules of Section 424(h) of the U.S. Tax Code, which may disqualify the Option from treatment as an Incentive Stock Option.
- (e) To receive qualified Incentive Stock Option tax treatment under Section 422 of the U.S. Tax Code, a Participant must not dispose of the Shares acquired pursuant to the exercise of an ISO within two (2) years from the date the ISO was granted, nor within one (1) year from the date the ISO was exercised.

ARTICLE 4

RESTRICTED SHARE UNITS

Section 4.1. Nature of RSUs.

A “**Restricted Share Unit**” (or “**RSU**”) is an Award in the nature of a bonus for services rendered that, upon settlement, entitles the recipient Participant to acquire Shares as determined by the Board or to

receive the Cash Equivalent or a combination thereof, as the case may be, pursuant and subject to such restrictions and conditions as the Board may determine at the time of grant, unless such RSU expires prior to being settled. Vesting conditions may, without limitation, be based on continuing employment (or other service relationship) and/or achievement of Performance Criteria. Unless otherwise determined by the Board in its discretion, the Award of an RSU is considered a bonus for services rendered in the calendar year in which the Award is made. It is intended that RSUs granted to U.S. Participants under this Plan shall qualify for the "short-term deferral" exception specified in Treas. Reg. § 1.409A-1(b)(4), and the Plan shall be interpreted consistently with such intent.

Section 4.2. RSU Awards.

- (a) The Board shall, from time to time by resolution, in its sole discretion, (i) designate the Eligible Participants who may receive RSUs under the Plan, (ii) fix the number of RSUs, if any, to be granted to each Eligible Participant and the date or dates on which such RSUs shall be granted, (iii) determine the relevant conditions and vesting provisions (including the applicable Performance Period and Performance Criteria, if any) and the Restricted Period of such RSUs, (provided, however, that no such Restricted Period, in respect of a Canadian Participant, shall exceed the three years referenced in Section 4.3), and (iv) any other terms and conditions applicable to the granted RSUs, which need not be identical and which, without limitation, may include non-competition provisions, subject to the terms and conditions prescribed in this Plan and in any RSU Agreement.
- (b) Subject to the vesting and other conditions and provisions in this Plan and in the RSU Agreement, each vested RSU awarded to a Participant shall entitle the Participant to receive one Share, the Cash Equivalent or a combination thereof upon confirmation by the Board that the vesting conditions (including the Performance Criteria, if any) have been met and no later than the last day of the Restricted Period. For greater certainty, RSUs that are subject to Performance Criteria may not become fully vested by the last day of the Restricted Period.

Section 4.3. Restricted Period.

Subject to Section 2.7(a), the applicable restricted period in respect of a particular RSU shall be determined by the Board but in all cases shall end no later than December 15 of the calendar year which commences three years after the calendar year in which the services for which such RSU is granted were rendered (the "**Restricted Period**"). All unvested RSUs shall be cancelled on the RSU Vesting Determination Date (as that term is defined in Section 4.7) and, in any event, all unvested RSUs shall be cancelled no later than the last day of the Restricted Period.

Section 4.4. Deferred Payment Date (Canadian Participants Only).

Participants who are Canadian Participants may elect to defer to receive all or any part of the Shares, the Cash Equivalent or a combination thereof, underlying RSUs until one or more Deferred Payment Dates, which dates shall not extend beyond the Restricted Period of the RSUs. Any other Participant may not elect a Deferred Payment Date. Notwithstanding any election made under this Section 4.4, in the event a Participant is or becomes a U.S. Participant, the settlement of such Participant's RSUs shall be governed by U.S. federal income tax law as provided in Section 8.9. To the extent necessary to ensure such RSU qualifies for the short-term deferral exception under Section 409A and its related

regulations, any vested RSUs shall be settled in accordance with Section 4.8(a)(i), and any election for a Deferred Payment Date under this Section 4.4 shall not apply to such Participant.

Section 4.5. Prior Notice of Deferred Payment Date (Canadian Participants Only).

Participants who elect to set a Deferred Payment Date must give the Company written notice of the Deferred Payment Date(s) not later than thirty days prior to the RSU Vesting Determination Date. For certainty, Participants shall not be permitted to give any such notice after the day which is thirty days prior to the expiration of the RSU Vesting Determination Date and a notice once given may not be changed or revoked.

Section 4.6. Termination after Restricted Period.

In the event of Termination of the Participant following the RSU Vesting Determination Date and prior to a Deferred Payment Date (as elected by a Canadian Participant), the Participant shall be entitled to receive, and the Company shall issue Shares, the Cash Equivalent or a combination thereof in satisfaction of the RSUs then held by the Participant as soon as administratively practical thereafter but in all events by no later than the March 15 date that follows such Termination.

Section 4.7. RSU Vesting Determination Date.

The vesting determination date means the date on which the Board determines if the Performance Criteria and/or other vesting conditions with respect to an RSU have been met (the “**RSU Vesting Determination Date**”), and as a result, establishes the number of RSUs that become vested, if any. For greater certainty, the RSU Vesting Determination Date must fall after the end of the Performance Period, if any, but no later than December 15 of the calendar year which commences three years after the calendar year in which the services for which such RSU is granted were rendered. For purposes of U.S. federal income tax law, the RSU Vesting Determination Date shall be deemed the date on which the RSUs are no longer subject to a “substantial risk of forfeiture” within the meaning of Section 409A of the U.S. Tax Code.

Section 4.8. Settlement of RSUs.

- (a) Except as otherwise provided in the RSU Agreement, all vested RSUs covered by a particular grant shall be settled as soon as practicable following their RSU Vesting Determination Date (or, for Canadian Participants only who have made a valid election pursuant to Section 4.4, the Deferred Payment Date), but in any event (i) for U.S. Participants, no later than March 15 of the calendar year following the calendar year in which the RSU Vesting Determination Date occurs, and (ii) for Canadian Participants, no later than the end of the Restricted Period (the date of such settlement being the “RSU Settlement Date”).
- (b) Settlement of RSUs shall take place promptly following the RSU Settlement Date, and shall take the form determined by the Board, in its sole discretion. Settlement of RSUs shall be subject to Section 8.2 and shall take place through:
 - (i) in the case of settlement of RSUs for their Cash Equivalent, delivery of a cheque to the Participant representing the Cash Equivalent;
 - (ii) in the case of settlement of RSUs for Shares (which may include Shares purchased

in the secondary market by a trustee or administrative agent appointed by the Board): (A) delivery to the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) of a certificate in the name of the Participant representing in the aggregate such number of Shares as the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall be entitled to receive (unless the Participant intends to simultaneously dispose of any such Shares); or (B) in the case of Shares issued in uncertificated form, issuance of the aggregate number of Shares as the Participant (or the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall be entitled to receive, to be evidenced by a book position on the register of the shareholders of the Company to be maintained by the transfer agent and registrar of the Shares; or

- (c) in the case of settlement of the RSUs for a combination of Shares and the Cash Equivalent, a combination of (a) and (b) above.

Section 4.9. Determination of Amounts.

- (a) For purposes of determining the Cash Equivalent of RSUs to be made pursuant to Section 4.8, such calculation will be made on the RSU Settlement Date based on the Market Price on the RSU Settlement Date multiplied by the number of vested RSUs in the Participant's Account to settle in cash.
- (b) For the purposes of determining the number of Shares to be issued or delivered to a Participant upon settlement of RSUs pursuant to Section 4.8, such calculation will be made on the RSU Settlement Date based on the whole number of Shares equal to the whole number of vested RSUs then recorded in the Participant's Account to settle in Shares.

Section 4.10. RSU Agreements.

RSUs shall be evidenced by an RSU Agreement in such form not inconsistent with the Plan as the Board may from time to time determine. The RSU Agreement may contain any such terms that the Company considers necessary in order that the RSU will comply with any provisions respecting restricted share units in the income tax or other laws in force in any country or jurisdiction of which the Participant may from time to time be resident or citizen or the rules of any regulatory body having jurisdiction over the Company.

Section 4.11. Award of Dividend Equivalents.

Dividend Equivalents may, as determined by the Board in its sole discretion, be awarded in respect of unvested RSUs in a Participant's Account on the same basis as cash dividends declared and paid on Shares, as a bonus for services rendered in the year such cash dividends are declared, as if the Participant was a shareholder of record of Shares on the relevant record date (including RSUs in which the RSU Vesting Determination Date has been met, but the Shares have not been issued due to a Deferred Payment Date).

Any Dividend Equivalent will be settled at the same time as the RSUs to which such Dividend Equivalent relates.

In the event that the Participant's applicable RSUs do not vest, all Dividend Equivalents, if any, associated with such RSUs will be forfeited by the Participant and returned to the Company's account.

ARTICLE 5

DEFERRED SHARE UNITS

Section 5.1. Nature of DSUs.

A **"Deferred Share Unit"** (or **"DSU"**) is an Award attributable to a Participant's duties as a director of the Company and that, upon settlement, entitles the recipient Participant to receive such number of Shares (which may include Shares purchased in the secondary market by a trustee or administrative agent appointed by the Board) as determined by the Board, or to receive the Cash Equivalent or a combination thereof, as the case may be, and is payable after Termination of Service of the Participant.

Section 5.2. DSU Awards.

The Board shall, from time to time by resolution, in its sole discretion, (i) designate the Eligible Participants who may receive DSU Awards under the Plan, (ii) fix the number of DSU Awards to be granted to each Eligible Participant, and (iii) fix the date or dates on which such DSU Awards shall be granted, subject to the terms and conditions prescribed in this Plan and in any DSU Agreement. Each DSU awarded shall entitle the Participant to one Share, or the Cash Equivalent, or a combination thereof.

Section 5.3. Payment of Annual Base Compensation.

- (a) Subject to the Board determining otherwise, each Participant may elect to receive in DSUs any portion or all of their Annual Base Compensation by completing and delivering a written election to the Company on or before November 5 of the calendar year ending immediately before the calendar year with respect to which the election is made. Such election will be effective with respect to compensation payable for fiscal quarters beginning during the calendar year following the date of such election. Elections hereunder shall be irrevocable with respect to compensation earned during the period to which such election relates.
- (b) Further, where an individual becomes a Participant for the first time during a fiscal year and, for individuals that are U.S. Participants, such individual has not previously participated in a plan that is required to be aggregated with this Plan for purposes of Section 409A of the U.S. Tax Code, such individual may elect to defer Annual Base Compensation with respect to fiscal quarters of the Company commencing after the Company receives such individual's written election, which election must be received by the Company no later than 30 days after the later of the Plan's adoption or such individual's appointment as a Participant. For greater certainty, new Participants will not be entitled to receive DSUs for any Annual Base Compensation earned pursuant to an election for the quarter in which they submit their first election to the Company or any previous quarter.

- (c) All DSUs granted with respect to Annual Base Compensation will be credited to the Participant's Account when such Annual Base Compensation is payable (the "**Grant Date**").
- (d) The Participant's Account will be credited with the number of DSUs calculated to the nearest thousandths of a DSU, determined by dividing the dollar amount of compensation payable in DSUs on the Grant Date by the Market Price of the Shares. For greater certainty, fractional DSUs credited to an Account shall be settled in cash in accordance with Section 8.8.
- (e) The Participant's Account will be credited with the number of DSUs calculated to the nearest thousandths of a DSU, determined by dividing the dollar amount of compensation payable in DSUs on the Grant Date by the Market Price of the Shares. For greater certainty, fractional DSUs credited to an Account shall be settled in cash in accordance with Section 8.8.

Section 5.4. Additional Deferred Share Units.

In addition to DSUs granted pursuant to Section 5.3, the Board may award such number of DSUs to a Participant as the Board deems advisable to provide the Participant with appropriate equity-based compensation for the services they render to the Company or its Subsidiaries. The Board shall determine the date on which such DSUs may be granted and the date as of which such DSUs shall be credited to a Participant's Account. An award of DSUs pursuant to this Section 5.4 shall be subject to a DSU Agreement evidencing the Award and the terms applicable thereto.

Section 5.5. Settlement of DSUs.

- (a) A Participant may receive their Shares, or Cash Equivalent, or a combination thereof, to which such Participant is entitled upon Termination of Service, by filing a redemption notice on or before December 15 of the first calendar year commencing after the date of the Participant's Termination of Service. Notwithstanding the foregoing, if any Participant does not file such notice on or before that December 15, the Participant will be deemed to have filed the redemption notice on December 15 (the date of the filing or deemed filing of the redemption notice, the "**Filing Date**"). In all cases for each U.S. Participant, the U.S. Participant will be deemed to have filed the redemption notice on the date of their "separation from service" (as defined in Section 8.3(b)).
- (b) The Company will make payment of the DSU Settlement Amount as soon as reasonably possible following the Filing Date and, in any event, for a Canadian Participant, no later than the end of the first calendar year commencing after the Participant's Termination of Service. For a U.S. Participant, payment of the DSU Settlement Amount shall be made in a lump sum following the Participant's "separation from service" (as defined in Section 8.3(b)). Such payment shall be made at the time prescribed in, and subject in all cases to, the payment-timing provisions for U.S. Participants set forth in Section 8.3, including the mandatory six-month delay for "specified employees" under Section 8.3(c). For purposes of determining the DSU Settlement Amount under Section 5.6, the "Filing Date" for a U.S. Participant shall be the date of their "separation from service."
- (c) In the event of the death of a Participant, the Company will, subject to Section 8.2, make payment of the DSU Settlement Amount as soon as administratively practicable following

the Participant's death, but in no event later than December 31 of the calendar year in which the Participant's death occurs, to or for the benefit of the legal representative of the deceased Participant. For the purposes of the calculation of the DSU Settlement Amount, the Filing Date shall be the date of the Participant's death. "Further, in the event of a Participant's 'Disability' (as defined in Section 8.3(f)), the Company will, subject to Section 8.2 and Section 8.3, make payment of the DSU Settlement Amount to the Participant as soon as administratively practicable following the final determination of such Disability, but in no event later than December 31 of the calendar year in which such final determination of Disability occurs, to or for the benefit of the Participant. For the purposes of the calculation of the DSU Settlement Amount, the Filing Date shall be the date of such final determination of Disability.

- (d) Subject to Section 2.7(a) and the terms of the DSU Agreement, including the satisfaction or, at the discretion of the Board, waiver of any vesting conditions, settlement of DSUs shall take place promptly following the Filing Date, and take the form as determined by the Board, in its sole discretion. Settlement of DSUs shall be subject to Section 8.2 and shall take place through:
 - (i) in the case of settlement of DSUs for their Cash Equivalent, delivery of a cheque to the Participant representing the Cash Equivalent;
 - (ii) in the case of settlement of DSUs for Shares: (A) delivery to the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) of a certificate in the name of the Participant representing in the aggregate such number of Shares as the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall be entitled to receive (unless the Participant intends to simultaneously dispose of any such Shares); or (B) in the case of Shares issued in uncertificated form, issuance of the aggregate number of Shares as the Participant (or the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall be entitled to receive, to be evidenced by a book position on the register of the shareholders of the Company to be maintained by the transfer agent and registrar of the Shares; or
 - (iii) in the case of settlement of the DSUs for a combination of Shares and the Cash Equivalent, a combination of (i) and (ii) above.

Section 5.6. Determination of DSU Settlement Amount.

- (a) For purposes of determining the Cash Equivalent of DSUs to be made pursuant to Section 5.5 such calculation will be made on the Filing Date based on the Market Price on the Filing Date multiplied by the number of vested DSUs in the Participant's Account to settle in cash.
- (b) For the purposes of determining the number of Shares to be issued or delivered to a Participant upon settlement of DSUs pursuant to Section 5.5, such calculation will be made on the Filing Date based on the whole number of Shares equal to the whole number of vested DSUs then recorded in the Participant's Account to settle in Shares.

Section 5.7. DSU Agreements.

DSUs shall be evidenced by a DSU Agreement in such form not inconsistent with the Plan as the Board may from time to time determine. The DSU Agreement may contain any such terms that the Company considers necessary in order that the DSU will comply with any provisions respecting deferred share units in the income tax or other laws in force in any country or jurisdiction of which the Participant may from time to time be resident or citizen or the rules of any regulatory body having jurisdiction over the Company.

Section 5.8. Award of Dividend Equivalents.

Dividend Equivalents may, as determined by the Board in its sole discretion, be awarded in respect of DSUs in a Participant's Account on the same basis as cash dividends declared and paid on Shares as if the Participant was a shareholder of record of Shares on the relevant record date. However, to the extent that Dividend Equivalents awarded under this Section 5.8 entitle Participants to receive additional DSUs, the maximum aggregate number of Shares that might possibly be issued to satisfy this obligation must be included in the grant limits in Section 2.4(b), clauses (i) and (ii) of the defined term "TSXV Share Limits", Section 2.5(a), Section 2.5(b) and Section 2.5(c), and if the Company does not have a sufficient number of Shares available under this Plan to satisfy its obligations in respect of such Dividend Equivalents it shall make payments in cash. All Dividend Equivalents will be settled at the same time as the underlying DSUs pursuant to Section 5.5.

ARTICLE 6

GENERAL CONDITIONS

Section 6.1. General Conditions Applicable to Awards.

Each Award, as applicable, shall be subject to the following conditions:

- (a) **Vesting Period.** Subject to Section 2.7, each Award granted hereunder shall vest in accordance with the terms of the Grant Agreement entered into in respect of such Award. The Board has the right to accelerate the date upon which any Option or RSU becomes exercisable notwithstanding the vesting schedule set forth for such Option or RSU, as applicable, regardless of any adverse or potentially adverse tax consequence resulting from such acceleration; provided, however, that the Board shall not have the authority to accelerate the time of payment of any Award that constitutes "deferred compensation" subject to Section 409A, except as permitted under Section 409A.
- (b) **Employment.** Notwithstanding any express or implied term of this Plan to the contrary, the granting of an Award pursuant to the Plan shall in no way be construed as a guarantee by the Company or a Subsidiary to the Participant of employment or another service relationship with the Company or a Subsidiary. The granting of an Award to a Participant shall not impose upon the Company or a Subsidiary any obligation to retain the Participant in its employ or service in any capacity. Nothing contained in this Plan or in any Award granted under this Plan shall interfere in any way with the rights of the Company or any of its Affiliates in connection with the employment, retention or termination of any such

Participant. The loss of existing or potential profit in Shares underlying Awards granted under this Plan shall not constitute an element of damages in the event of termination of a Participant's employment or service in any office or otherwise.

- (c) **Grant of Awards.** Eligibility to participate in this Plan does not confer upon any Eligible Participant any right to be granted Awards pursuant to this Plan. Granting Awards to any Eligible Participant does not confer upon any Eligible Participant the right to receive nor preclude such Eligible Participant from receiving any additional Awards at any time. The extent to which any Eligible Participant is entitled to be granted Awards pursuant to this Plan will be determined in the sole discretion of the Board. Participation in the Plan shall be entirely voluntary and any decision not to participate shall not affect an Eligible Participant's relationship or employment with the Company or any Subsidiary.
- (d) **Rights as a Shareholder.** Neither the Participant nor the Participant's personal representatives or legatees shall have any rights whatsoever as shareholder in respect of any Shares covered by such Participant's Awards by reason of the grant of such Award until such Award has been duly exercised, as applicable, and settled and Shares have been issued in respect thereof. Subject to Section 4.11 and Section 5.8, no adjustment shall be made for dividends or other rights for which the record date is prior to the date such Shares have been issued.
- (e) **Conformity to Plan.** In the event that an Award is granted, or a Grant Agreement is executed which does not conform in all particulars with the provisions of the Plan, or purports to grant Awards on terms different from those set out in the Plan, the Award or the grant of such Award shall not be in any way void or invalidated, but the Award so granted will be adjusted to become, in all respects, in conformity with the Plan.
- (f) **Non-Transferrable Awards.** Each Award granted under the Plan is personal to the Participant and shall not be assignable or transferable by the Participant, whether voluntarily or by operation of law, except by will or by the laws of succession of the domicile of the deceased Participant. No Award granted hereunder shall be pledged, hypothecated, charged, transferred, assigned or otherwise encumbered or disposed of on pain of nullity.
- (g) **Participant's Entitlement.** Except as otherwise provided in this Plan or unless the Board permits otherwise, upon any Subsidiary of the Company ceasing to be a Subsidiary of the Company, Awards previously granted under this Plan that, at the time of such change, are held by a Person who is a director, executive officer, employee or Consultant of such Subsidiary of the Company and not of the Company itself, whether or not then exercisable, shall automatically terminate on the date of such change.

Section 6.2. General Conditions Applicable to Options.

Each Option shall be subject to the following conditions:

- (a) **Termination for Cause.** Upon a Participant ceasing to be an Eligible Participant for Cause, any vested or unvested Option granted to such Participant shall terminate automatically and become void immediately. For the purposes of the Plan, the determination by the Company that the Participant was discharged for Cause shall be binding on the Participant. "Cause" shall include, among other things, gross misconduct, theft, fraud, breach of confidentiality or breach of the Company's codes of conduct and any other reason determined by the Company to be cause for termination.
- (b) **Termination not for Cause.** Upon a Participant ceasing to be an Eligible Participant as a result of such Participant's employment or service relationship with the Company or a Subsidiary being terminated without Cause, (i) any unvested Option granted to such Participant shall terminate and become void immediately and (ii) any vested Option granted to such Participant may be exercised by such Participant. Unless otherwise determined by the Board, in its sole discretion, such Option shall only be exercisable within the earlier of 90 days after the Termination Date, or the expiry date of the Option set forth in the Grant Agreement, after which the Option will expire. Notwithstanding the foregoing, any vested Option must expire within a reasonable period, not exceeding 12 months, following the date the Participant ceases to be an Eligible Participant under this Plan.
- (c) **Resignation.** Upon a Participant ceasing to be an Eligible Participant as a result of such Participant's resignation from the Company or a Subsidiary, (i) each unvested Option granted to such Participant shall terminate and become void immediately upon resignation, and (ii) unless otherwise determined by the Board, in its sole discretion, each vested Option granted to such Participant will cease to be exercisable on the earlier of the 90 days following the Termination Date and the expiry date of the Option set forth in the Grant Agreement, after which the Option will expire. Notwithstanding the foregoing, any vested Option must expire within a reasonable period, not exceeding 12 months, following the date the Participant ceases to be an Eligible Participant under this Plan.
- (d) **Permanent Disability/Retirement.** Upon a Participant ceasing to be an Eligible Participant by reason of retirement (in accordance with any retirement policy implemented by the Company from time to time) or permanent disability (as defined in Section 22(e)(3) of the U.S. Tax Code), (i) any unvested Option shall terminate and become void immediately, and (ii) any vested Option will cease to be exercisable on the earlier of the 90 days from the date of retirement or the date on which the Participant ceases such Participant's employment or service relationship with the Company or any Subsidiary by reason of permanent disability (as defined in Section 22(e)(3) of the U.S. Tax Code), and the expiry date of the Option set forth in the Grant Agreement, after which the Option will expire.
- (e) **Death.** Upon a Participant ceasing to be an Eligible Participant by reason of death, any vested Option granted to such Participant may be exercised by the liquidator, executor or administrator, as the case may be, of the estate of the Participant for that number of Shares only which such Participant was entitled to acquire under the respective Options (the "**Vested Awards**") on the date of such Participant's death. Such Vested Awards shall only be exercisable within 12 months after the Participant's death or prior to the expiration of the original term of the Options whichever occurs earlier.

Section 6.3. General Conditions Applicable to RSUs.

Each RSU shall be subject to the following conditions:

- (a) **Termination for Cause or Resignation.** Upon a Participant ceasing to be an Eligible Participant for Cause or as a result of such Participant's resignation from the Company or a Subsidiary, the Participant's participation in the Plan shall be terminated immediately, all RSUs credited to such Participant's Account that have not vested shall be forfeited and cancelled, and the Participant's rights to Shares or Cash Equivalent or a combination thereof that relate to such Participant's unvested RSUs shall be forfeited and cancelled on the Termination Date. The Participant shall not receive any payment in lieu of cancelled RSUs that have not vested.
- (b) **Death or Termination Other than for Cause.** Upon a Participant ceasing to be an Eligible Participant as a result of (i) death, (ii) retirement, (iii) Termination for reasons other than for Cause, (iv) such Participant's employment or service relationship with the Company or a Subsidiary being terminated by reason of injury or disability, or (v) becoming eligible to receive long-term disability benefits, all unvested RSUs in the Participant's Account as of such date relating to a Restricted Period in progress shall be terminated, and the Participant shall not receive any payment in lieu of cancelled RSUs.
- (c) **General.** For greater certainty, where a Participant's employment or service relationship with the Company or a Subsidiary is terminated pursuant to Section 6.3(a) or Section 6.3(b) following the satisfaction of all vesting conditions in respect of particular RSUs but before receipt of the corresponding distribution or payment in respect of such RSUs, the Participant shall remain entitled to such distribution or payment provided such distribution or payment is made within a reasonable period, not exceeding 12 months, following termination of such Participant's employment or service relationship.

ARTICLE 7

ADJUSTMENTS AND AMENDMENTS

Section 7.1. Adjustment to Shares.

In the event of (i) any subdivision of the Shares into a greater number of Shares, (ii) any consolidation of Shares into a lesser number of Shares, (iii) any reclassification, reorganization or other change affecting the Shares, (iv) any merger, amalgamation or consolidation of the Company with or into another corporation, or (v) any distribution to all holders of Shares or other securities in the capital of the Company, of cash, evidences of indebtedness or other assets of the Company (excluding an ordinary course dividend in cash or Shares, but including for greater certainty shares or equity interests in a Subsidiary or business unit of the Company or one of its Subsidiaries or cash proceeds of the disposition of such a Subsidiary or business unit) or any transaction or change having a similar effect, then the Board shall in its sole discretion, subject to the required approval of any Stock Exchange, determine the appropriate adjustments or substitutions to be made in such circumstances in order to maintain the economic rights of the Participant in respect of such Award in connection with such occurrence or change, including, without limitation:

- (a) adjustments to the exercise price of such Award without any change in the total price applicable to the unexercised portion of the Award;
- (b) adjustments to the number of Shares to which the Participant is entitled upon exercise of such Award; or
- (c) adjustments to the number or kind of Shares reserved for issuance pursuant to the Plan.

Section 7.2. Change of Control.

- (a) In the event of a potential Change of Control, the Board shall have the power, in its sole discretion, subject to Section 7.3, to modify the terms of this Plan and/or the Awards to assist the Participants to tender into a take-over bid or to participate in any other transaction leading to a Change of Control.
- (b) If the Company completes a transaction constituting a Change of Control and within 12 months following the Change of Control, (i) a Participant who was also an officer or employee of, or Consultant to, the Company prior to the Change of Control has their position, employment or Consulting Agreement terminated, or the Participant is constructively dismissed, or (ii) a director ceases to act in such capacity, then all unvested RSUs shall immediately vest and shall be paid out notwithstanding the RSU Vesting Determination Date and any Deferred Payment Date, and all unvested Options shall vest and become exercisable, provided that any acceleration of the vesting of Options issued to any Investor Relations Service Provider may not be accelerated without the prior approval of the TSX Venture Exchange. Any Options that become exercisable pursuant to this Section 7.2(b) shall remain open for exercise until the earlier of their expiry date as set out in the Grant Agreement and the date that is 90 days after such termination or dismissal.
- (c) Notwithstanding any other provision of this Plan, this Section 7.2 shall not apply with respect to any DSUs held by a Participant where such DSUs are governed under paragraph 6801(d) of the regulations under the Tax Act or any successor to such provision.
- (d) For U.S. Participants, the definition of "Change of Control" is governed by Section 8.3(e).

Section 7.3. Amendment or Discontinuance of the Plan.

- (a) The Board may suspend or terminate the Plan at any time. Notwithstanding the foregoing, any suspension or termination of the Plan shall be such that the provisions of the Plan relating to DSUs granted to Canadian Participants continuously meet the requirements of paragraph 6801(d) of the regulations under the Tax Act or any successor to such provision and that the provisions of the Plan relating to RSUs granted to Canadian Participants continuously meet the requirements of paragraph (k) of the definition of "salary deferral arrangement" in the Tax Act or any successor to such provision.
- (b) The Board may from time to time, in its absolute discretion and without approval of the shareholders of the Company make the following types of amendments to this Plan or any Award, subject to any regulatory or Stock Exchange requirement at the time of such amendment:
 - (i) amendments of a "housekeeping" nature, including any amendment that is necessary to: (A) clarify an existing provision of the Plan; (B) correct or supplement

- any provision of the Plan that is inconsistent with any other provision of the Plan; (C) comply with applicable law or the requirements of the Stock Exchange or any other regulatory body; or (D) correct any grammatical or typographical errors in the Plan; and
- (ii) amendments regarding the administration of the Plan.
- (c) With approval of the shareholders of the Company (including disinterested shareholder approval, as applicable) and subject to any regulatory or Stock Exchange requirement at the time of such amendment, the Board may amend this Plan, or any Award, including amendments to the provisions of this Plan that:
 - (i) amend the definition of an Eligible Participant under the Plan;
 - (ii) increase the maximum number of Shares issuable under the Plan (either as a fixed number or fixed percentage of the Outstanding Issue), except in the event of an adjustment pursuant to ARTICLE 7;
 - (iii) increase the maximum number of Shares that may be (A) issuable to Insiders at any time, or (B) issued to Insiders under the Plan and any other proposed or established Share Compensation Arrangement in a one-year period, except in case of an adjustment pursuant to ARTICLE 7;
 - (iv) increase the maximum number of Shares that may be issuable to any one person, within a one-year period;
 - (v) amend the method for determining the Option Price;
 - (vi) extend the maximum term of any Award;
 - (vii) amend the expiry and termination provisions applicable to an Award; and
 - (viii) amend the amendment provisions of the Plan.
- (d) While the Shares are listed for trading on the TSX Venture Exchange, disinterested shareholder approval will be required for any decrease in the Option Price or extension of the Option Term for any Options held by Insiders.
- (e) Notwithstanding the foregoing, any amendment of the Plan shall be such that the Plan relating to DSUs granted to Canadian Participants continuously meet the requirements of paragraph 6801(d) of the regulations under the Tax Act or any successor to such provision and that the provisions of the Plan relating to RSUs granted to Canadian Participants continuously meet the requirements of paragraph (k) of the definition of “salary deferral arrangement” in the Tax Act or any successor to such provision.

Section 7.4. TSX Venture Exchange Approval of Adjustments.

While the Shares are listed for trading on the TSX Venture Exchange, any adjustment, other than in connection with a subdivision of the Shares into a greater number of Shares pursuant to Section 7.1(a) or a consolidation of Shares into a lesser number of Shares pursuant to Section 7.1(b), to any Award pursuant to the provisions hereof is subject to the prior acceptance of the TSX Venture Exchange, including adjustments related to an amalgamation, merger, arrangement, reorganization, spin-off, dividend or recapitalization.

ARTICLE 8

MISCELLANEOUS

Section 8.1. Use of an Administrative Agent.

The Board may in its sole discretion appoint from time to time one or more entities to act as administrative agent to administer the Awards granted under the Plan, including for the purposes of making secondary market purchases of Shares for delivery on settlement of an Award, if applicable, and to act as agent to hold and administer the assets that may be held in respect of Awards granted under the Plan, the whole in accordance with the terms and conditions determined by the Board in its sole discretion. The Company and the administrative agent will maintain records showing the number of Awards granted to each Participant under the Plan.

Section 8.2. Tax Withholding.

Notwithstanding any other provision of this Plan, all distributions, delivery of Shares or payments to a Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) under the Plan shall be made net of such withholdings, including in respect of applicable taxes and source deductions, as the Company determines. If the event giving rise to the withholding obligation involves an issuance or delivery of Shares, then, the withholding may be satisfied in such manner as the Company determines, subject to compliance with the policies of the TSX Venture Exchange, including by (a) having the Participant elect to have the appropriate number of such Shares sold by the Company, the Company's transfer agent and registrar or any trustee appointed by the Company pursuant to Section 8.1, on behalf of and as agent for the Participant as soon as permissible and practicable, with the proceeds of such sale being delivered to the Company, which will in turn remit such amounts to the appropriate governmental authorities, or (b) any other mechanism as may be required or determined by the Company as appropriate.

Section 8.3. US Tax Compliance.

- (a) DSU Awards granted to U.S. Participants are intended to comply with, and Option and RSU Awards granted to U.S. Participants are intended to be exempt from, all aspects of Section 409A of the U.S. Tax Code and related regulations ("Section 409A"). Notwithstanding any provision to the contrary, all taxes associated with participation in the Plan, including any liability imposed by Section 409A, shall be borne by the U.S. Participant.
- (b) For purposes of interpreting and applying the provisions of any DSU or other Award subject to Section 409A (including, without limitation, determining the payment timing for DSUs granted to a U.S. Participant under Section 5.5), the terms "Termination," "Termination Date," and "Termination of Service" shall be interpreted to mean a "separation from service," as defined under Section 409A, provided, however, that with respect to an Award subject to the Tax Act, if the Tax Act requires a complete termination of the employment relationship to receive the intended tax treatment, then "termination of employment" will be interpreted to only include a complete termination of the employment relationship.
- (c) Notwithstanding any provision to the contrary in this Plan or any Grant Agreement, any payment of an Award subject to Section 409A to a U.S. Participant who is a "specified

employee" (as determined under Section 8.3(d)) that is payable on account of a "separation from service" shall be delayed for a period of six (6) months following the date of such "separation from service." The accumulated amount of any such delayed payment shall be paid in a lump sum on the first business day following the expiration of such six-month delay period (or, if earlier, the date of the Participant's disability (within the meaning of Section 8.3(f)) or death).

- (d) For purposes of identifying a "specified employee" under Section 8.3(c), the Company shall use a specified employee identification date of December 31 of each year. Any U.S. Participant identified as a specified employee as of such date shall be treated as a specified employee for the 12-month period beginning on the following April 1.
- (e) Notwithstanding any other provision of this Plan to the contrary, for any U.S. Participant, any definition or provision of this Plan that would otherwise cause an Award to fail to comply with Section 409A shall be interpreted or deemed amended to comply with Section 409A. Without limiting the generality of the foregoing, (i) the definition of "Change of Control" in Section 1.1 shall not apply to any Award subject to Section 409A, and (ii) any payment of an Award subject to Section 409A that is triggered by a "Change of Control" shall only be made if such event constitutes a "change in control event" within the meaning of Treasury Regulation Section 1.409A-3(i)(5).
- (f) For purposes of any Award subject to Section 409A, any payment to a U.S. Participant triggered by a "disability" shall only be made if such event constitutes a "disability" within the meaning of Section 409A(a)(2)(C) of the U.S. Tax Code and its underlying regulations, notwithstanding any other provision or definition of "disability" or "permanent disability" in the Plan.

Section 8.4. Clawback.

Notwithstanding any other provisions in this Plan, any Award that is subject to recovery under any law, government regulation or Stock Exchange listing requirement, will be subject to such deductions and clawback as may be required to be made pursuant to such law, government regulation or Stock Exchange listing requirement (or any policy adopted by the Company pursuant to any such law, government regulation or Stock Exchange listing requirement). Without limiting the generality of the foregoing, the Board may provide in any case that outstanding Awards (whether or not vested or exercisable) and the proceeds from the exercise or disposition of Awards or Shares acquired under Awards will be subject to forfeiture and disgorgement to the Company, with interest and other related earnings, if the Participant to whom the Award was granted violates (i) a non-competition, non-solicitation, confidentiality or other restrictive covenant by which such Participant is bound, or (ii) any policy adopted by the Company applicable to the Participant that provides for forfeiture or disgorgement with respect to incentive compensation that includes Awards under the Plan. In addition, the Board may require forfeiture and disgorgement to the Company of outstanding Awards and the proceeds from the exercise or disposition of Awards or Shares acquired under Awards, with interest and other related earnings, to the extent required by law or applicable Stock Exchange listing standards, including and any related policy adopted by the Company. Each Participant, by accepting or being deemed to have accepted an Award under the Plan, agrees to cooperate fully with the Board, and to cause any and all permitted transferees of the Participant to cooperate fully with the Board, to effectuate any forfeiture or disgorgement required hereunder. Neither the Board nor the Company nor any other person, other than the Participant and such Participant's permitted transferees, if any,

will be responsible for any adverse tax or other consequences to a Participant or such Participant's permitted transferees, if any, that may arise in connection with this Section 8.4.

Section 8.5. Securities Law Compliance.

- (a) The Plan (including any amendments to it), the terms of the grant of any Award under the Plan, the grant of any Award and exercise of any Option, and the Company's obligation to sell and deliver Shares in respect of any Awards, shall be subject to all applicable federal, provincial, state and foreign laws, rules and regulations, the rules and regulations of applicable Stock Exchanges and to such approvals by any regulatory or governmental agency as may, as determined by the Company, be required. The Company shall not be obliged by any provision of the Plan or the grant of any Award hereunder to issue, sell or deliver Shares in violation of such laws, rules and regulations or any condition of such approvals.
- (b) No Awards shall be granted in the United States or to U.S. Persons and no Shares shall be issued in the United States or to U.S. Persons pursuant to any such Awards unless such Shares are registered under the U.S. Securities Act and any applicable state securities laws or an exemption from such registration is available. Any Awards granted in the United States or to U.S. Persons, and any Shares issued pursuant thereto, pursuant to an exemption from registration under the U.S. Securities Act and applicable state securities laws, will be "restricted securities" (as such term is defined in Rule 144(a)(3) under the U.S. Securities Act). Any certificate or instrument representing Awards granted in the United States or to U.S. Persons or Shares issued in the United States or to U.S. Persons pursuant to such Awards pursuant to an exemption from registration under the U.S. Securities Act and applicable state securities laws shall bear substantially the following legend restricting transfer under applicable United States federal and state securities laws:

If Shares cannot be issued to a Participant upon the exercise of an Option due to legal or regulatory restrictions, the obligation of the Company to issue such Shares shall terminate and any funds paid to the Company in connection with the exercise of such Option will be returned to the applicable Participant as soon as practicable.

Section 8.6. Reorganization of the Company.

The existence of any Awards shall not affect in any way the right or power of the Company or its shareholders to make or authorize any adjustment, reclassification, recapitalization, reorganization or other change in the Company's capital structure or its business, or any amalgamation, combination, merger or consolidation involving the Company or to create or issue any bonds, debentures, shares or other securities of the Company or the rights and conditions attaching thereto or to affect the dissolution or liquidation of the Company or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise.

So long as the Shares are listed on one or more Stock Exchanges, the Company must apply to such Stock Exchange or Stock Exchanges for the listing or quotation, as applicable, of the Shares underlying the Awards granted under the Plan, however, the Company cannot guarantee that such Shares will be listed or quoted on any Stock Exchange.

Section 8.8. No Fractional Shares.

No fractional Shares shall be issued upon the exercise or vesting of any Award granted under the Plan. In the event a Participant would otherwise become entitled to a fractional Share upon the exercise or settlement of an Award, or from an adjustment permitted by the terms of this Plan, such Participant shall receive, in lieu of such fractional Share, a cash payment equal to the Market Price of such fractional Share determined as of the same date such Award is valued for settlement purposes (which, for a DSU, shall be the Filing Date).

Section 8.9. Governing Laws.

The Plan and all matters to which reference is made herein shall be governed by and interpreted in accordance with the laws of the province of British Columbia and the laws of Canada applicable therein. Notwithstanding the foregoing, all provisions of this Plan applicable to U.S. Participants shall be construed and administered in accordance with applicable U.S. federal income tax law.
